An ASPA Update

This quarter we have been working hard for the wonderful PAs of Alabama! Here is a recap!

- ASPA worked with the Alabama Board of Medical Examiners to clarify verbiage on Alabama's Rule 540-X-0.7 to safeguard PA practice
- The PA Advisory Committee met August 13th and discussed dermatology protocol, PAs in ophthalmology practice
- Ongoing collaboration with AAPA regarding how best to advocate for our profession in Alabama
- We have officially launched our new logo!
- New website set to debut in October!
- Join us in celebrating PA Week October 6-12
